## MORE ABOUT THIS ITEM

This portable vacuum pump is designed for versatility with a tough, lightweight plastic housing and integral carrying handle. The long-wearing motor delivers performance characteristics suitable for a wide range of applications.

**Note:** Do not pump liquids or immerse pump. Avoid organic, basic, and acidic vapors.

The vacuum station features of a vacuum gauge to measure the level of the system and regulator valve to adjust the vacuum level.

**Please Note:** Effective April 2023, the Air Admiral Air Vacuum Pump Station has now been rebranded Cole-Parmer under model number VPS-200. All the same great features and specifications, just with a new and improved look.

Width (mm)	178.7
